About NTN Bearings - NTN Americas BCA Bearings by NTN. BCA® has over a century of experience supplying wheel end solutions in America. Today BCA is owned by NTN. As the #1 supplier of OE-

Bearing Manufacturers, OEM vs. BCA vs. Timken | Corvette Feb 18, 2008 — I'm looking at replacing a rear wheel bearing on my 02. I've found Autozone has Timkens for about 133, O'Reilly has BCA/National (Federal Mogul) for 122 They're all made by Timken. They're all the same. They all fail on a BCA WE60387 Wheel Bearing: Automotive and manufactured to meet or exceed OE engineering specifications. As the aftermarket brand from NTN Bearings, BCA has over 100 years of premium-quality

BCA Bearings - Know Your Parts All aftermarket auto parts are not created equal. Whether you're a technician, retailer, or distributor, it's important to select quality parts, and recommend them to

what brand of wheel bearings? [Archive] Years ago NTN purchased the Bower/BCA/Federal Mogul rolling element bearing manufacturing plants. If it says BCA Made in the USA, it's one Timken vs. BCA wheel bearings | SHO Forum Would any of you recommend I spend a premium for Timken rear wheel bearings vs BCA (Federal Mogul)? I'm also replacing one front wheel

BCA Bearings | Wheel Hub Assemblies & Bearings The leader in North American OE production of wheel hub assemblies, BCA provides high quality replacement parts that meet or exceed the OE engineering NTN Corporation - Wikipedia NTN Corporation (a.k.a. Niwa, Tomoe, Nishizono) is one of the most prominent manufacturers of Because most of their bearings were still made inside the borders of Japan, the prices of the bearings NTN Corporation then acquired Bearing Corporation of America in 1996, establishing NTN-BCA Corporation in Lititz,
